

Additional resources

Active Travel Sefton in conjunction with Cycling UK promote and deliver a wide range of cycling activity throughout Sefton, including Dr Bike drop in sessions and cycle maintenance courses, where our qualified mechanics can either fix your bike or provide you with the skills, knowledge and confidence to tackle the job yourself.

All of the sessions are free to attend and are delivered within Community Hubs across the borough.

For more information visit www.activetravelsefton.co.uk or contact the active travel team.
