- Turn right and walk alongside the wall until you reach a set of gates, cross over with care through the farm gates and down Carr Side Lane. Pass the farm buildings and take the footpath on the left. Follow this footpath to the trees, then right along the tree line, into the open fields to a small bridge. Turn left and go over the bridge. Follow this footpath and keep going to the left, walk alongside the trees and eventually you will reach a gate with the pumping station on your right.
- Turn left and follow the road. This will become Carr House Lane, a tarmac road with houses on each side. At the end of Carr House Lane turn left and a little further on you will be back at the village hall.
