

Coastal Path Walk

WATERLOO TO HIGHTOWN

Independent Walk Routes

Your guide to great walks in Sefton

This 100 minute walk winds it's way along the coastline, taking in Crosby Marina and Promenade, Antony Gormley's Iron Men and up to leafy Hightown. It's great for those wanting a longer even surface walk.

Route directions

- › Start at Waterloo Train Station South Road, Waterloo L22 0LY
- › With the train station behind you turn left and head down South Road. At the end of South Road cross over the road and enter Crosby Marina (pedestrianised path).
- › After a few steps you will come to a crossroads, take the right hand footpath. This footpath leads you between the two lakes. Carry on along the footpath, it rises up slightly and passes between the dunes. At the end of this footpath you'll come to the Promenade.
- › Turn right on to the Promenade and carry on this route until you reach the Coastguard Station.
- › On the far side of the Coastguard Station and at the end of the car park there is an 'A' frame gate leading to a wide path.
- › Follow this path for some time (West Lancashire Golf Course is to your right), it snakes around the coastline and eventually veers off to the right.
- › After a small wooded area to your left the path veers round to the left, keep to this path and eventually you will see houses ahead of you.
- › At the end of this path go through another 'A' frame gate and out on to Blundell Road.
- › Carry on along Blundell Road which merges with School Road. When you come to the end of School Road you'll see a village green, surrounded by trees. Turn right before the village green, up Alt Road and finish at Hightown Train Station (straight ahead of you).
